What do I get in the First Free Consultation?

The first consultation is free and it usually takes about an hour. It's your opportunity to discuss your situation with us in detail.

Also, we will also provide an outline of the costs for each option.

An Expert advice on your visa means resolving matters quickly is a priority for us. You will receive:

- a **specific pathway** for those options
- a **realistic expectation** of how long it will take to resolve the matter
- a **firm understanding** on the potential costs involved.

You will walk away from that consultation with clarity and direction.
